There are two main ways to bet on a favorite or an underdog.

Anyone betting on Detroit needs the Lions to lose by 1-4 points or win the game

Still confused? Check out this video breaking down point spreads.<sup>3</sup>

So why do you have to risk more on the favorite than you'd win on the underdog?

Props - short for proposition bets - can be any wager that's not a standard point spread, moneyline or total.

Our live odds pages will automatically surface the best line for every game.

And that's valuable because you can identify where your strengths and weaknesses are as you start betting.

By betting 10 euros at odds of 2.

The art of betting resides in knowing whether or not the odds offered by a bookmaker are a genuine reflection of the probability of an event happening.

A punter can win big, if his or her betting success rate is better than the odds for these bets would seem to suggest.

All bookmakers offer numerous bets on football, tennis, rugby and American sports.

If you're a fan of less media-friendly sports, you may still find a bookmaker which will allow you to bet on your favourite sports.

Yes, you can bet during a match, in which case you'll be placing a live bet.

This rule does not apply if the result of a bet was already known when the match was abandoned.
