The main signifiers of American odds are that they either have a plus (+) or minus (-) in front of them and are in terms of 100.

For example, you can bet the Dallas Cowboys as a -7 point favorite to beat the

Green Bay Packers or the Packers as a +7 point underdog.

A moneyline bet is on the straight-up winner of a game.

Odds In Words What It Means
Giants +150 Giants plus 150 If you bet \$100 on the Giants and they win, you win \$150
Cowboys -170 Cowboys minus 170 To win \$100 for a Cowboys win, you have to bet \$170

Moneyline bets are as straightforward as it gets in sports betting.
