For example, in No Limit Hold'em and Pot Limit Omaha, it's extremely rar

e for a player to 3bet the flop without holding a strong value hand.

While the average player still 3bets way too tight of a range preflop, the line

is less indicative of strength than a postflop 3bet.

Polarized Implies 3betting a selection of strong value hand and a selection of

semi-bluffs.

They don't have a lot of raw-equity preflop but still have the potential to

make big 5-card holdings by the river.

These types of speculative 3bets are especially useful when facing opponents wh

o fold too frequently to preflop 3bets.

- 3bet the absolute best hands for value.

- 3bet a selection of speculative hands with "smooth" equity, especial

ly rundowns such as T987ss

The error might partly be caused by the fact that a flop 2bet is usually just o

ver 3 times the size of the initial flop bet.
