One of the best parts about making money by selling on Amazon is that you can set your own hours and work from anywhere that has an internet connection. All you need is your computer or laptop to get started.

This is what Fulfillment by Amazon (FBA) is all about. You sell the items on Amazon.com, and then they are fulfilled by Amazon.

It's easy to get started (no tech experience required).

Since then, she was able to earn 6-figures in profit in her first year from selling on Amazon.

Jessica used her experience of buying and reselling items to master her "buy low, sell high" model and turn it into a full-time gig.

**MORE FLEXIBILITY** Be able to create your own schedule. Work alone or choose to work with your family and friends.

**Step 2: Create Your Product Listings** Once you have finished adding your products to the Amazon catalog, you can specify FBA inventory.

You'll also learn how strategically price your products and get your listings on Amazon in front of eager buyers. Sounds like high-value stuff, right?

That's why many of Jessica and Cliff's course graduates have been so successful. When you enroll in their course, you'll gain the skills needed to succeed on Amazon, PLUS you'll get support from Jessica in their private mastermind group on Facebook.
