Some titles are available to purchase or rent for an extra charge in addition to any titles you may have access to with your Amazon Prime or Prime Video membership.

Purchases from the Prime Video store that are not included with Prime are automatically charged to your 1-Click payment method. As soon as the order completes, purchases are available to view in your Purchases & Rentals in "My Stuff."

Note: If you currently pay for your Prime or Prime Video subscription through Amazon, or through a third-party carrier, any purchases or rentals will be charged to your 1-Click payment method in your Amazon account. If you don't have a Prime or Prime Video subscription, if the Prime Video subscription is paid through Apple, or if you don't have a valid payment method and billing address set up in your Amazon account 1-Click settings, then any purchase or rental in the Prime Video app for iOS or Apple TV is charged to the payment method in your iTunes & App Store settings.
