Gambling authorities in Qatar

Just like in most countries where the majority of residents practice Islam, all

forms of gambling activities in Qatar are strictly prohibited.

History of Gambling Regulation in Qatar

In 2005, a Swiss company manufactured robots that can stand up the tough weather

conditions in Qatar and be used as jockeys in camel racing events.Overview

Although there are disagreements about which games can be considered based on lu

ck and based on skill, Qatar government is reluctant to take these arguments int

o consideration and prohibits all games that resemble gambling.

Everyone involved in illegal gambling practices is threatened to spend three mon

ths behind the bars and pay a fine of QAR3,000.

Those players who place their bets from their home without being involved in an

y illegal gambling scheme are not that severely prosecuted.

Yet, breaking the law in an Islamic country is an act that never brings positiv

e consequences. Online Gambling
