Baccarat's history is said to go all the way back to medieval Italy.

This original version of baccarat was not played the same way it is today.

King Charles VIII and his noblemen loved the game, and Chemin de Fer remained a hit with the French aristocracy for centuries.

Baccarat also caught on in England, where Ian Fleming learned how to play the game before creating the world's most famous baccarat player: James Bond.

As more time passed, baccarat cropped up in South America and in the Caribbean, where under the name of Punto Banco, it adapted to the local culture.

The main changes included the players playing against the house only, and the banker role being reserved solely for the casino.

This kind of baccarat is what we now know as "American Baccarat."

Baccarat may have not caught on with the public the same way games like real money roulette and blackjack have, but it still enjoys an air of exclusivity and p
