### The Best New Betting Site for Racing

Neds launched in 2017 and was acquired just a year later by Ladbrokes.

Part of the reason was because of how impressive Neds' growth had been, especially within the racing sector of the Australian betting industry.

Today, we regard Neds as the top site for racing betting because of their in-depth stats and tips, their competitive odds, and because they offer a great range of payment methods.

As one of the newest betting sites in Australia, you would expect good navigation and fast load times.

You also have other quick options like POLi, Cash In, and Flexepin as well as Cheque, Bank Transfer, and BPAY if you so desire.

On Neds, you can build same game multis, same race multis, or multis across many different races and sports markets.
