A new virtual reality game has sparked outrage.

It takes players inside the world trade center's twin towers the day they were destroyed on September 11, 2001.

Creators call it a narrative-driven experience that lets users feel the 9/11 attacks from the perspective of a worker inside the World Trade Center.

Anthoula Katsimatidas lost her brother John on that day 14 years ago.

It was created a group of French university students, who've said the goal of recreating such an emotional moment was not to be obscene or sensationalist. While some online say there is educational value, much of the response has been critical.

One user wrote: "Gaming enthusiasts call the 9/11 Oculus Rift game as some thing that will leave you speechless, not question if it's in good taste."

Another said simply: "Let's not have a VR game about 9/11, okay?"

Make sure to study Blackjack rules before playing 5-times you bet, unless the dealer has a Blackjack, too.

It's about making good decisions and minimizing the casino's advantage over you.

Note: Thanks to card counting, Blackjack is one of the few casino games in which players can actually be profitable.

Learn about side bets in Blackjack

Many casinos and game providers add various side bets to Blackjack, which can make the game a bit more exciting, but generally also increase the casino's advantage.

The selection is slightly smaller, but there are still plenty of games to choose from.

Unfortunately, Blackjack tables with a live dealer usually can't be played for free, but you will be able to play them for real money in many online casinos

Of the many tournaments, we have highlighted the most popular ones that are eagerly anticipated by cricket buffs around the world. ICC World Cup
Played once in every four years, the ICC World Cup is the king of all cricket tournaments.

It is one of the most prestigious and among the most viewed sporting events in the world - one that every cricket team aspires to win.

West Indies are the reigning champions who won the previous edition in 2016 in India and they are the only team to have won the tournament twice.

This is essentially a shorter version of the World Cup where a team cannot afford to lose more than one group-stage game.

The Ashes represents the long-term rivalry between two cricketing giants - England and Australia.

It is a series of five test matches played at least once every four years and is hosted in turn by the two nations.

The Big Bash League currently ranks sixth on the list of the world's most attended sports leagues.
