online games for 6 players and 8 players.

So I guess I can play it without the player's consent.

It seems like you could do it with your own consent, and it'd be a very easy

way to do it.

I'm just saying that I'm a bit confused about the idea of the game.

That is the problem.

The right way to do it is with your own consent.

I have no idea what the right way is.

How to Play Double Deck Blackjack

The player's goal in this game is to reach as close to 21 as possible withou

t going over.

Further, the players can choose their moves in the first round:

Hit.

Players choose this move when there is a possibility of going over 21 or if a s

trong hand is already present.

If the player chooses such a move, he can only be dealt one more card.

Here are several more critical game rules:
