 Promising review: "I have a bunch of bettors in my office and one of them gets the most bets on his bet, but it doesn't get much more than a couple of tries.

 Promising review: "This thing is amazing! I have been using it for or three months now and it has worked like a charm.

It's so simple to use and the color is so vibrant.

I have very oily skin and the color lasts a long time.

Best Ethiopia Betting sites

Ethiopia is no different and the betting sites are slowly starting to offer the same.

about Online Betting in Ethiopia

When compared to other African countries such as Nigeria, Kenya, Zambia, South Africa, Mozambique etc, the online sports betting market is still low.

Retail still remains the main driver of bets in Ethiopia, but online is growing consistently.

Ethiopia can be a difficult market to operate in, as taxes are very high and complex, payments can be a challenge and government intervention often creates confusion.
