6. Freelance your skills

If you enjoy children, babysitting in your home may earn you extra cash. Babysit ting is occasionally watching children in your home, or theirs, while parents ar e away or can't bring their children with them, such as to a function. With this side job, you may change diapers, prepare meals or snacks, entertain children and ensure they're put to bed at a reasonable hour. Be aware of your stat e's laws regarding babysitting versus day care services. A license or CPR ce rtification may be required to keep children in your home.

Consider making your home a vacation rental for part of the year. If you live in a desirable area, you may easily get people interested in staying at your place. The same goes for a houseboat, guest house or other space that others might fi

nd appealing. Do your research to ensure you follow city or state guidelines for
