The bookmaker has quite a number of promotions for existing clients, but they do not have a welcome bonus.

Throne Bet is a sports betting company that first endeared itself with Tanzanian punters as a brick and mortar sportsbook.

The Supabets website still needs to be improved in terms of its design, but the website is user-friendly and punters can easily find whatever they are looking for.

The good thing about Wasafibet is that even though it is new in the betting industry, they have a wealth of experience which they gained during the time they were operating as Odibets.
