At the main job I had before becoming self employed, back in the 1990s, I started at around \$25,000/year and ended up around \$40,000/year right before I quit. At that time, my wife and I lived in a 1,000 sf apartment. We tracked our expenses carefully and in a typical month we spent \$1,700 on everything, total (food, g) Tj T* BT /F
