By Pramod Madhav: The Tamil Nadu government on Monday notified the Tamil Nadu Prohibition of Online Gambling and Regulation of Online Games Bill, after state governor RN Ravi gave his assent to the Bill.

The move came amidst the controversial comment by RN Ravi who, during an interaction with UPSC aspirants, said that a Bill withheld by the Governor means the Bill is dead.

Though assent was provided on April 7, it was reportedly informed to State Government on Monday post which the law was published in the Government Gazette.

## OFFENCES AND PENALTIES

- Any person indulging in online gambling/online games of chance with money or other stakes shall be punished with imprisonment for a term which may extend to three months or with a fine up to Rs 5,000 or both.

- Similarly, those violating the provision on advertisement for promotion or inducing people to play online gambling/games of chance will face punishment with imprisonment up to one year or with a fine which may extend to Rs 5 lakh, or both.

As per the Gazette, a panel will also be constituted to regulate online gaming. While not particularly useful for futures bets or ante-post bets and rather irrelevant for soccer betting, tennis betting and other low scoring sports popular in Europe, they are valuable on the other side of the Atlantic.

Understanding key numbers in NFL betting is the first and most important step, with the emphasis on point spread and point totals.

It is a variation of the moneyline betting, so instead of picking the winner you indicate the margin of victory.

For this type of wagering, the key numbers sports betting figures are +/-3, 5 and +/-7.

Most common NFL scores revolve around these numbers due to the scoring system used in American football.

They are used in all popular sports, but they are particularly useful for high scoring sports.

Websites that have low minimum deposits and withdrawals are also held in higher regard as they cater to casual bettors.

We always strive to rate the instant withdrawal betting sites above any of the slower sites.

Those sites that cater specifically to India should always have more than the IPL and the Indian internationals.
