The Florida Seminole Gaming Compact briefly launched legal sports betting in Florida for five weeks before a legal challenge halted wagering.

The team at SportsLine put together a glossary of sports betting terms to help make sure that you're up to speed when or if mobile sports betting returns in the Sunshine State.

Bets on Miami would win if they lose by seven points or less.

Teasers: Teasers are a variation of spread betting where a player is allowed to increase the point value for their selected teams.

Let's say you believe two seven-point favorites will win their games outright but you are unsure whether they can cover the touchdown spread.

Using a six-point teaser would reduce each team to a -1 favorite, meaning they only have to win by two points.

It can help you identify in which games you'll have the biggest statistical advantage.
