Amazon Prime to Twitch accounts

If it is the first time you've subscribed to a streamer using your Twitch Pr

ime account, Twitch will prompt you to ask if you want to use your monthly free

subscription for this streamer. Click "yes" to subscribe to that strea

mer for one month at no charge.

Once you subscribe to a streamer via your free Twitch Prime Subscription, your b

enefits with that channel and your financial support of your favorite streamer

-will last one month. You'll have to resubscribe at the end of the month wit

h your free subscription or to set up a recurring subscription, click "Subs

cribe" again and select the "Continue Sub" option to pay to conve

rt your Prime subscription to a recurring subscription.

Subscribing is a great way to support your favorite Twitch streamers. If you fou
